About China Select Capital Partners Corp.

China Select Capital Partners is a Canada-based private equity management firm focused on managing foreign investment in the PE RMB fund industry in China. We invest in leading private and public companies whose businesses involve later-stage alternative energy, environmental technology or other selected sectors with strong intellectual property, exceptional management, high growth potential and an identified exit strategy either in China or North America. China Select's management team is composed of talented and experienced investment professionals combining an Asian background with Western education and extensive experience in investment banking, venture capital and venture fund management in Canada, China and the U.S.
